## INTRODUCTION

*Comfort, comfort my people says the Lord.  
Speak tenderly to Jerusalem and proclaim  
that her hard service has been  
completed, that her sin has been paid for,  
that she has received from the Lord's hand  
double for all her sins. A voice of one calling:  
In the desert prepare the way for the Lord;  
make straight in the wilderness a highway  
for our God. Every valley shall be raised up,  
every mountain and hills made low, the  
rough ground shall become level, the  
rugged places a plain. And the glory of the  
Lord will be revealed and all mankind  
together will see it. For the mouth of the  
Lord has spoken," Isaiah 40:1-5.*

Every nation as well as every individual has a  
prophetic destiny, and at least once in a life time every  
person comes to his or her prophetic gate of destiny. It is  
at this prophetic gate of destiny that one is  
ushered into divine comfort or consolation.  
The services or struggles of life continue until the  
gate of destiny is opened for you. Only there

and then is your life turned around for the better  
there and then is every valley of your life filled  
those mountains of obstruction made low.

At the prophetic gate of destiny one enters  
the glory of God, the grace of God, the wisdom of  
the power of God, which are able to deliver unto  
the glorious inheritance of the saints. There  
favour is guaranteed and one's life is translated  
from the pit to the pinnacle of glory. Then all the rough  
places shall become level, the rugged places a plain.  
The glory of the Lord will be revealed and all  
together will see it.

The church of Christ as well as her individual  
members are set already at her prophetic gate.  
One only takes the wisdom of God to access all the  
wonders at this gate of destiny. This prophetic gate  
the church has always unfolded gradually through  
her history.

Moreover, an understanding of this power at the  
prophetic gate of destiny is the most necessary  
for enforcing the kingdom of God upon one's life.  
The wisdom to reign in any area of life and a man of  
is very strong (Prov. 24:5).

These kind of Apostles and N.T. prop

Furthermore, it takes only such a

## CHAPTER ONE

### WHAT IS THE PROPHETIC GATE?

*On the day before Saul came, the Lord revealed this to Samuel. About this time tomorrow I will send a man from the tribe of Benjamin, Anoint him leader over the people Israel; (1 Sam. 9:15-16). "The Lord took a flask of oil and poured it on Saul's head and kissed him saying, "Has the Lord anointed you leader over his people? As Saul turned to leave Samuel, God changed Saul's heart... the Spirit of God came upon him in power, and Samuel and Saul remained in their prophesying: (1 Sam. 10:10).*

The prophetic gate is that main entrance into all God's purposes, plans and programme of God's destiny. It is the encounter that will usher you into a right place in life. It opens the doors of peace and prosperity unto you and bring you into a realm of excellence and fulfillment in life. As the

### Entering The Prophetic Gate Of Destiny

The word gate connotes the main entrance into a fort or compound, and the word prophetic means a message which has to do with the prophets, the prophetic gate simply defined, is the main entrance into a man's treasured possession, which has to do with the prophets. In other words, it is the act of entering into one's destiny through encounter with God's prophets who carry the secret of God and unlock His purposes and programmes.

There is an encounter you cannot afford to miss in your life. It is the encounter with the prophet at the prophetic gate of your destiny. What is the prophetic gate of your destiny, designed by the Almighty God? It is unlocked unto you by these prophets. There are two prophetic gates of man and the prophetic gate of God's word. One is an encounter through human instruments and the other is an encounter through the written word. In other words, it can be the Rhema of the prophet or the written word of God.

"Saul approached Samuel in the Gate of Bethel and asked, "would you please tell me where the secret of my destiny is? (1 Sam. 9:18) God positioned the prophet Samuel at the gateway to unlock the prophetic destiny of Saul of Kish, unto him. It was at the gateway (the prophetic gate) where Saul, met Samuel that Saul was ushered into God's divine purpose, plan and programme for his life.

g of Israel.

circumstances may bring one to ones gate, but the fact is that in all things God is together for good to those who love him. This circumstance has made this book available to you as part of God's design to bring you into your prophetic gate and to usher you into your prophetic destiny. Saul was looking for his father's lost donkeys and was creating Saul's prophetic destiny. With all his strength and wisdom Saul was busy for many days searching for the lost treasures of his father, (the lost treasures of his heavenly father was busy preparing the prophetic gate that will reveal to Saul the hidden treasures of his destiny. When both Saul and his servant were disappointed from their fruitless effort to find the ass they went to seek for help from the seer (God's prophets).

When you stop all those rush and struggles for the lost treasures of the world and for a moment pause to seek direction from God your hard service and your struggles may never end. The prophetic gate is the entrance unto which you turn when you are in the darkness and shadows in this world. If you are not in a business with God this time around you will drop this book now because something is about to explode inside you right now.

### Entering The Prophetic Gate Of Destiny

*"Look in this town there is a man of God, he is respected and everything he says comes true. I will give unto his servant; if we go what can we give the man of God? The food in our sacks is gone. We have no gift to take unto the man of God. What do we have? The servant answered and said, I have a quarter of a shekel of silver. I will give it to the man of God so that he will tell us what we should take." (1 Sam. 9:6-8).*

### **From a Wanderer to a Wonder**

Those who do not recognize and respect the authority of the prophets and the values of their ministry do not approach them casually. But those who neglect the authority of the prophets at their prophetic gates not only miss the prophetic gates of destiny but also end up as casualties in this life. You can't be a casualty for you are always in the right part. Get set to encounter your prophetic destiny appear before him casually. God told Israel that you should appear before him empty handed, (Deuteronomy 18:16) You must sow into the life and ministry of the prophets if you recognize for an encounter with your prophetic destiny. It is those in need who desperately desire change for the better that must provoke the prophets to give them they desire with the seed of faith. None of your struggles in prose and poetry can nullify that divine principle of custom among God's people and Saul was not recognized that. Thank God for such servants.

## What Is The Prophetic Gate?

to accept any excuses. Naaman's servant was servants (2 Kgs. 5:13-14).

Saul met Samuel at the gate the whole story was changed. The issue of the lost donkey was changed and a higher-level issue of destiny was focus. Friends, if you are ready, it is time to level you are now, to focus on the real issues of destiny. Saul was ushered into a prophetic banquet and released with the prophetic word of excellence "in all his heart may tell him to do" (1 Sam. 9:7). From thenceforth; a wanderer was a wonder. It is now your turn! That is what now. Stop wandering aimlessly and labouring with no worthy fruit to show. There is a glory ahead set aside for you but until you enter the prophetic gate of destiny it may not be yours. (1 Samuel 9:22-24).

In the midst of all these confusions and deception what every serious soul needs now is divine guidance which is always available at the prophetic gate. The goal of Saul's trip to Samuel's house was "so that he may tell us what way to take," (1 Sam. 9:8). When a man locates his placement at the prophetic gate of destiny his life gains a high speed.

For the sake of God, this is also a challenge on the practical application of your ministry to the existential needs of

men. If the prophet cannot stand in the court of the Lord to obtain the prophetic word of destiny for the people, no amount of legislation against or for the genuine frontline prophets will withhold the word from the souls from the pursuit of their prophetic destiny. You can't hold them. They must be released unto greener pastures. The prophetic gate is located anywhere the Spirit of God is given in operation. It can be located in a prophetic conference or a book like this or tapes as well as a determined encounter with the desired prophet for life. Who is your prophet? How can you locate the prophetic gate? We shall focus on that shortly. For all let us look at what a prophet is, generally, "by a prophet that the Lord delivered Israel out of Egypt and by a prophet he preserved them." (Hosea 12:13) is a prophet?

## CHAPTER TWO

### WHO IS A PROPHET

*The Lord confides in those who fear him, he makes his covenant known to them," Ps. 25:14. "The sovereign Lord speaks through his prophets who can but prophesy." "The sovereign Lord does nothing without revealing his plan to his servants the prophets." Amos 3:7, 8.*

Knowing that God does in all realms of his creation, we can understand that everything is done by His Spoken word. It is the spoken word that we refer to as the word of God. A prophet, therefore, is God's confidant. He is entrusted with the mind of God over an issue at a particular point in time. Whenever the sovereign Lord speaks the word into the mind of his prophets (messengers), their sole duty is to proclaim it (i.e.) to the people. A prophet is a man of God who carries God's message to God's people. While a prophet carries a message from God to the people, a priest carries a message (prayers, offerings and sacrifices) from the

people to God. Prophets are those who know the secrets of God and they minister to the people in accordance with such divine understanding. They carry. And God sent His word to heal them (Ps. 107:20). His word it sent through his messengers. Bishop Oyedepo rightly said, "Prophets are God's messengers instructed to carry the eaglets into their inheritance. When the prophet's word God converts whatever has been an obstacle to a miracle."<sup>1</sup> And by a prophet God delivered Israel out of Egypt and by a prophet he preserved Israel. Hosea 12:13, Ps. 107:20. Prophets are God's agents of deliverance, God's people at every generation. Even in times of failure is pervading the earth, God sends his messengers. Called prophets as instruments of change to the world. Prophets are divine agents for human fulfillment. Heaven honours their words as they speak. The word of God backs up the thoughts of their hearts.

A prophet is a man sent by God for the deliverance and preservation of his people from the tensions and corruptions that are imminent in this world. When the word was given to his generation, Joseph was sent to Egypt to preserve God's people, Elijah was sent to the widow of Zerephath, and Samuel was sent to anoint the first two kings of Israel. God's method is to use man to reach man. When he wanted to deliver Israel from Egyptian bondage he sent Moses. Joshua was sent to conquer and divide the Promised Land into

### Who Is A Prophet

Jesus came to set all captives free. God has sought for a man (a prophet) who will proclaim the word of God unto his people. And I sought for a man to stand in the gap, Ezk. 22:30. A prophet is a spokesman, one who speaks on God's behalf to declare the will of God to the people. They are God's people. *"And he gave some apostles and some prophets and some evangelists and some pastors and teachers..." Eph. 4:11.* The prophetic office like the ministerial offices of the Evangelists, pastors, etc, is different from the general gift of prophecy. In the N.T. every believer filled in the Holy Spirit is entitled or qualified to prophesy via the gift of prophecy. *To each one the manifestation of the Spirit is for the common good. To one another is given prophecy by the Spirit the message of wisdom ... to another by the Spirit the message of knowledge ... 1 Cor. 12: 7-11.* While the Holy Spirit gives to every believer these spiritual gifts including prophecy as he will, the prophetic office is the exclusive reserve of those who are called into that office. *"In the church at Antioch there were prophets and teachers," (Acts 13: 1).* Prophets and teachers occupied their ministerial offices in that category amidst other spirit filled believers who also could prophesy through the general manifestation of the spiritual gift of prophecy to the church. *"But every one who prophesies speaks to himself and to the church for the strengthening, encouragement and edification of the church ... 1 Cor. 14:3).* The Holy Spirit gives the gift of

### Entering The Prophetic Gate Of Destiny

prophecy for the purpose of edification, exhortation, and comfort of God's people. But the prophet speaking in the prophetic office can also foretell or rebuke and/or proclaim God's mind to God's people as the Holy Spirit moves them.

Agabus the prophet signified by the Spirit that a great famine should come upon the whole world should be a great death throughout the entire world. It came to pass in the days of Claudius Caesar (Acts 11:27-29). Again, Ananias of Damascus ministered to Saul (Paul) at his conversion experience. He prophesied unto him how mighty he should become by the Lord, (Act 9:15-18). These kind of predictive or directive prophecies were from the office of prophets. Today God is greatly restoring this prophetic office (ministry) to the body of Christ and you are well to position your self at the prophetic gate for a wonderful encounter of your life. Only prophets, mentors, or beget prophets, and only the prophetic office can introduce a new order.

### **Divine Agent of Change**

Whenever God wants to introduce a new order or new operations a prophet is sent. Prophets are divine agents for change, priests minister to maintain the status quo. In Israel all kings anointed by prophets were called to introduce a new order from the old, which was the

 ted by a priest. In other word, "Kings chosen  
 le over his people who were not in a line of  
 ccession were anointed by prophets,<sup>2</sup> (e.g.

 who assumed office in line of dynastic  
 were anointed by priests (e.g. Solomon, 1 kg.

ne prophets are those vested with the  
 ty of introducing a new divine initiative into  
 hile priests work within established order.  
 ts can also be slightly distinguished from the  
 en though they work together. While the  
 ring in-depth messages from God to the  
 Apostles break new grounds, new frontiers  
 n unction that goes on and on. The Apostolic  
 tic unction function hand in hand especially  
 tions of laying the foundation of the church  
 ration of the lost grounds of the church in her  
 nsferable unction is always connected with  
 tic and apostolic ministers. The Apostolic  
 etic ministry is a sin-qua-non to God's  
 towards the perfection of the body of Christ  
 ays. God is still enlisting the hungry soul into  
 e army of Apostles and prophets; especially  
 re ready for an encounter at their prophetic  
 ny.

### CHURCH AT HER PROPHETIC GATE

*By the day is coming it will burn like

prophetic gate of the church is that era in her  
 en the church is set to fulfill her divine  
 earth. The church at her prophetic gate is  
 which is speedily growing into maturity  
 of knowledge and the fullness of Christ.  
 tic gate of the church is positioned for that

era when the church will serve a similar purpose  
 Noah's Ark. It is the period when the whole church  
 burn like a furnace because of hardship, poverty,  
 wickedness, terrorism, confusion, depression and  
 forms of wickedness bedeviling both the leaders and  
 lead, the rich and the poor, the small and the great  
 everybody in the world and none knows when it will  
 go. At that time all the arrogant men and women  
 every evil doer will be stubble and that day will  
 on fire. However, the church has been properly  
 positioned for a rescue operation by virtue of its  
 position in the hand of God. The sun of righteousness  
 will rise from the mountain of the Lord's temple (the  
 church) for the healing of the decaying world of  
 these last days.

If you are a member of the end time church  
 must be ready to step into your prophetic gate  
 because the Lord is out to build up his church through  
 But the truth is that judgment must first begin at the  
 house of God. He will purge his church of all human  
 immoralities, greed and corruption from the apostles  
 pews. The church is God's sure foundation of  
 righteousness (1 Pt. 4:17, 18; 2Tim. 2:19-22).  
 therefore you are no longer foreigners and aliens but  
 fellow citizens with God's people and members of  
 household, built on the foundations of the apostles  
 prophets with Christ Jesus himself (the chief corner stone)

not ready to rise. When Egyptian economy crashed (the seed of God) rose with healing on his behalf. *At this high time the leaders of our nation turned to the church for direction in all facets of our lives, homes and industries. It is from the church of Christ, that in the Holy Spirit that the wisdom to heal any economic crisis will emerge.* They will do well to embrace this truth early enough, God's prophets and seers, who are filled with the spirit of excellence are spread all over the world. In every profession, occupations and trade in every country, there are healings and solutions in time of crisis.

### **Shine**

If you are not yet born-again and filled in the Holy Spirit, your days will soon expire on earth, and your influence in that your profession will soon fade away. If you are not renewed today, and repent for it is your turn to be born again already get set to march into the future with joy and to fulfill your global mission by embracing a new and higher intimacy with the Holy Spirit and the word of God. As the arrogant and the evil are being burned, you will rather shine as the light of the world. Instead of retiring from your profession, you will be re-firing all the more. For the mountains, the church shall be in the lead above all other. For

### Entering The Prophetic Gate Of Destiny

in the last days God will pour His Spirit upon all flesh, and our sons and daughters will prophesy, Joel 2:28-32. They shall profess in all profession.

There is coming, a new wave of glory in the church of Christ, the like of which has never been experienced before. Meanwhile, those who have a deep understanding of the history of the church will understand that one indisputable fact of church history is that divine revelation is positive and progressive. In other words, the Holy Ghost who is the builder of the church is a progressive developer. His mission is to teach the church until she comes to maturity in the knowledge of Christ. He who hears him hear what the Spirit says to the church (1 Cor. 14:35). The Spirit continuously speaks even today.

In reading this, (Paul wrote) you may better understand my insight into the mystery of Christ which was not made known to men in other generations. This mystery has now been revealed by the spirit to God's elect apostles and prophets, (Eph. 3:4-5). Paul's insight here is that as an apostle he himself caught a glimpse into the mystery of Christ which the Holy Spirit exclusively reveals to all apostles and prophets in the N.T. The mystery was not only revealed to Paul, an apostle. Other apostles and prophets also caught a glimpse of insight into God's revelation of the N. T. church.

factors that determine the fate of nations is

mysteries are revealed to God's confidants

Genesis chapter ten for instance, we have the  
of nations according to the clans of the  
of Noah. "From these the nations spread  
the earth after the flood" Gen. 10:32. Could you  
at the 14 nations that come from Japheth plus  
Ham and the 26 from Shem add up to 70,  
anticipation of the 70 members of Jacob's  
which formed the nation of Israel in Egypt,  
es wrote, "He sent up boundaries for the  
ording to the number of the sons of Israel." In  
s, at the cradle of nations one Israelite is  
to one nation on earth. Such mystical  
between the Israel of God and the nations  
is still effective till today. Every nation that  
Israel always has their prophetic gate of

### **e Your Destiny**

*to you, Korazin! Woe to you, Bethsaida! The miracles that were performed in you have been performed in Tyre and Sidon, they will have repented long ago in sackcloth and ashes. But I tell you; it will be more bearable for Trye and Sidon on the day of judgment than for you. And you Capernaum will you be lifted up to the skies? No, you will be brought down to the depth. If the miracles that were performed in you had been performed in Tyre and Sidon, they would have remained till this day. I tell you that it will be more bearable for Tyre and Sidon on the day of judgment than for you; Matthew 11:21-24.*

It is interesting to note that all of those cities who rejected Jesus' ministry by faith and were prophetically denounced by the Lord has for long met its doom. Korazin is mentioned only in the woes pronounced on it (Mtt. 11:21; Lk. 10:13). His denunciation of this town indicates that it must have been an important centre. It was no longer inhabited by the time of Eusebius, and only a few carved stones remain today.<sup>3</sup> Korazin is today actually doomed as it has been prophetically denounced it.

## Entering The Prophetic Gate Of Destiny

In the same vein, Bethsaida, the city of Jesus' Apostles as Peter and Andrew (John 1:44) has been completely ruined and its place wiped out of history and geography to the extent that its site is uncertain, today. I have identified it with ET Tel, east of the Jordan.<sup>4</sup> Against the backdrop of Jesus' remarkable works and teachings, the rejection of Capernaum (a city near Bethsaida) refused to accept Jesus and Jesus predicted the complete ruin of the town. This prophecy was so completely fulfilled that the town has completely disappeared and its very site is now a matter of debate.<sup>5</sup>

Jesus also required his disciples to stampt out every sand of any town that rejected the gospel by leaving their shoes as a testimony against such towns on the day of judgment (Mtt. 10:14,15). Such is a prophetic warning. Only the prophetic gate rules or ruins the cities of the nations. Your response to the prophets of God determines your life or town goes to a large extent to determine God's reactions unto you, whether favourable or otherwise, (Mtt. 10:40-41). Thus the destiny of a nation is tied of their relationship with the sons of God and the prophets of God. In other words, your relationship with Jesus Christ and his church today determine the prophetic gate of your destiny.

## The Prophetic Gate Of Nations

### and Biblical Prophecy

Other great cities of interest that were prophesied were Tyre and Sidon, Babylon, to name a few. A Phoenician port south of Zidon on the coast of Carmel was a coastal strip backed by mountains and built upon a rock. Tyre in those days was like Sidon and both were wealthy commercial centers. The trade of Tyre then included the export of the Cedar forest of Lebanon range.

Its wealth and glory were so great but they were arrogant and defied the most High God. The pride of Tyre attracted the attention of God and the doom of Tyre and Sidon through the prophets of O.T. namely Isaiah, Jeremiah and Ezekiel. An oracle concerning Tyre: wail, O ships of Tyre for Tyre is destroyed and left without house or harbor. In the land of Cyprus word has come to them. O you people of the Island and you Merchants of Tyre the seafarers have enriched," (Isaiah 23:1-18)

The prophet Jeremiah in his symbolic description of judgment against the nation wrote: "I took the cup from the Lord's hand and made all the nations to drink it. Jerusalem and the towns of

Judah, its kings and princes ...kings of Tyre and Sidon. Jer. 25:17-28. In fact Jeremiah was commissioned as a prophet to the nations, to pull down, to root out and to plant as the case may be (Jer. 1:10). We must understand that Tyre and Sidon were among the most powerful of nations to be ruined.

Again the prophet Ezekiel in chapter 26 extensively discussed prophetically the glory and fall of the nations of Tyre and Sidon. He wrote: "The sovereign Lord says: I am against you O' Tyre. I will bring many nations against you... they will break down the walls of Tyre, and pull down her towers, I will destroy away her rubble and make her a bare rock. On the sea, she will become a place to spread fishnets," Ezekiel 26:1-12. At the time of this prophecy the glory and wealth of Tyre were so great that she was the commercial center of almost all merchant of all nations. Situated almost halfway to the sea, she was merchant of peoples and goods. However, because of her disregard of the people of God, (Ezk. 26:1), her prophetic destiny was turned to ruins, her wealth glory was properly transferred to another and her position of power another took from her.

In 332 B.C. in the course of his conquest

### The Prophetic Gate Of Nations

Under the great appeared before Tyre; the stronghold closed her gates, and Alexander was unable to find a cause way. After long months of siege he took the city by costly storming. Tyre was on an island, the causeway still remains, now as a place, as foretold, on which fishermen dry their net<sup>6</sup>, (Isaiah 23:14, 47:10). Thus was the fall of Tyre to the world in the N.T. times the once upon a time a great port and commercial centre of the world was destroyed. It is wished that her citizens helplessly depended on the surrounding country for their food supply (Acts 12:20). The prophetic visit of prophet Elijah to Zerephath in the days of those days could not help matters for those cities of Tyre and Sidon. Elijah's prophetic visit, perhaps, was even more judgmental than the visit to the nations involved, Luke 4:25, 26. Only the widow of Zerepheth was blessed by the use of her faith, while the whole cities of Tyre and Sidon remained an example of stubborn and rebellious people, Mtt. 11:21, 22. Hence Tyre and Sidon were destroyed and their remaining history up till now is of no significance.

### **n Prophecy**

Sidon was another nation prophetically destroyed because of her ruthless dealings with the people of God. Towards the end of his ministry Jeremiah

revealed that even though God used Babylon to punish his people Israel for their sins Babylon herself was already caught in the trap of the Lord for she was no better than her victims, and she never gave glory to the Lord for all her exploits. While Isaiah declared God's glory will I not share with any other," Jeremiah 50:7 set a trap for you, O' Babylon, and you were found before you knew it: you were found and destroyed because you opposed the Lord," Jer. 50:7. Authorized speaking, it is hereby declared that the prophetic destiny is already closed against any city, town or nation that oppose God or his people. The bearing of all these are prophetically drawn from the same source and all wise shall understand.

During the course of his ministry, Jeremiah wrote on a scroll all the disaster that would come on Babylon (see Jer. 50:2-51:59). So when Seriah went to Babylon with Zedekiah king of Judah, Jeremiah sent Seriah with the scroll on a mission to the River Euphrates.

*He said to seriah, when you get to Babylon see that you read all these words aloud. Then say, O Lord, you have said you will desolate this place, so that neither man nor animal will live in it, it will be desolate forever, when you finish, reading this scroll, tie a stone to it.*

## CHAPTER FIVE

### PROPHETIC GATE OF GOD'S KINGDOM

*Blessed are you, Simon son of Jonah, for this was not revealed to you by man, but by my Father in heaven. And I tell you that you are a rock, and on this rock I will build my church, and the gate of Hades will not overcome it. I will give you the keys of the kingdom of heaven; whatever you bind on earth will be bound in heaven, and whatever you loose on earth will be loose in heaven," (Mtt. 16:17-19)*

The kingdom of God is the rulership of God; it is the power of God in any place among any people. *The kingdom of God is only accessible through revelations and insights.* Hence the prophetic gate of God's kingdom is the revelation or insight into God's mysteries through the Holy Spirit.

The ministry of Jesus was identified by the Father as the ministry of releasing the light of the kingdom. When Jesus spoke again, John wrote, he said *"I am*

### Entering The Prophetic Gate Of Destiny

*the light of the world, whoever follows me will not walk in darkness, but will have the light of life. John 8:12*

The kingdom of God is the kingdom of revelation and insight. It is the kingdom of revelations or insights into the mysteries of God. There in alone you have a direct access to the mysteries of God. *The prophetic gate of the kingdom is the entrance of the prophetic word into your spirit.*

When Peter cut that revelation of Jesus to the Father, the living God, He was automatically ushered into the realm of the blessed. "Blessed are you Simon son of Jonah, for flesh and blood did not reveal this to you, but my Father in heaven." In fact, through such revelation and insight Peter collected the keys to the kingdom of heaven. Look, you will soon collect your own keys when you finish reading this book.

Whenever the prophetic gate of God's kingdom opens to any believer, the church of God gains an advantage over the gates of hell, and all the hungry souls are blessed as the foundation of the church rises as a threat to the gates of hell. Hence the revelations of God's word.

The truth remains that it is upon the revelation of the Father that Peter got that the church is built, for revelation is the ministry of an apostle or a prophet. Thus Paul wrote that t

### The Prophetic Gate of God's Kingdom

*"built on the foundation of the apostles and with Christ Jesus himself as the chief stone," Eph. 2:20. Only such revelations make the heart tremble before the gates of heaven in any age and prophets are not made by tittles and titles claimed indiscriminately. They are people of God's secret "quiver" and entrusted with the secrets of God for their proven integrity. They are men who knew the Lord "face to face" by insight and revelation. They are not those who steal the word from the mouth of others and shout as if it were theirs.*

*Peter wrote, later in his life. "I did not follow clearly invented stories but we told you the power and coming of our Lord Jesus Christ but we were eyewitnesses of his majesty... we ourselves heard the voice that came from heaven when we were with him on the sacred mountain," 2 Peter 1:16-18. Another Apostle put it this way "That which was from the beginning which we have heard, which we have seen with our eyes which we have looked at and our hands have touched this we proclaim bringing the word of life," (1 John 1:1).*

*The prophetic gate of God's kingdom is open to all at the entrance of the word of life. It is such*

*an encounter with the prophetic word as described by these two eminent apostles that opens the gates of heaven and dismantles all the forces of hell at the entrance of hell. Spiritual blindness or willful ignorance is the greatest problem the apostles tried to solve through their writings and in the Acts of the Apostles. The lack of insight into the plans and purposes revealed in his word are the two major chains holding down not a few believers today. This present darkness in the mind has only but one answer:*

*In the beginning was the word, and the word was with God and the word was God... All things were made by him: and without him was made any thing made that was made. In him was life, and the life was the light of men. And the light shineth in darkness and the darkness comprehended it not... That was the true light which lighteth every man that cometh into the world," (John 1:1-9).*

*Until this light shines in the darkness of the heart no true life is possible. Life is a product of incomprehensible light God released in you. Every greatness is a product of enlightenment from the beginning of things. You are where you are today in the race of life because that is the light you carry. You are expected to grow in the*

those who are complacent in Zion, who sit to envy and criticize the efforts of other who are trying to rise in the light of God, should do well to heed Peter's warning. *"we have the word of the promise made more certain and you will do well to pay attention to it as to a light shining in a dark place, until the morning star rises in your hearts," 2*

The prophetic word encountered through the opening in the heart of man is the greatest key that can unbound the immeasurable treasures of the Kingdom of God. It brings the dawning of a new era into the church and the church into the dawning of a new era of blessing on earth. The history of the church of Christ has been a progressive history which leaves behind the non progressive elements, and all those who are not in the Kingdom of God, mostly in emphasizing where God has been, and where he is today and where he is going. The errors of those non-progressive elements are variations, fear of new revelations, criticisms of the progressive elements and despising or total rejection of the prophetic and apostolic ministry.

Above all, they are always satisfied with the status quo. They always believe that God is in their pocket and they cannot leave them to talk to others or through others without true permission, 1Kings 22:24.

No wonder Jesus said that he will build his church (Mtt. 16:18) not that it had been built. It was understood that *the church of Christ is still in the process of spiritual construction "until we all reach unity in the faith and in the knowledge of the son of God and of the Father, mature, attaining to the whole measure of the fullness of Christ," Eph. 4:11-13, cf. 1Thess. 5:19-21.* The church is simple. Everyone who has not the spirit of Christ is not of His, (Rom. 8:9) and you cannot even test if you have the spirit of prophecy if you are not opened to the Spirit's ministrations in your own life. No one can be a good examiner in a course he does not understand. *"When He the Spirit of truth comes, he will guide you into all truth," John 16:13.* So, you're not yet there. He will lead you into it when He comes, and if you allow Him to lead.

### **The Key of Understanding**

"I will give you the keys of the kingdom of heaven and whatever you loose on earth will be loosed in heaven," (Mtt. 16:19). *It is pertinent to repeat the main idea of this chapter here: The prophetic gate of the kingdom opens to any man whenever he encounters*

## The Prophetic Gate Of God's Kingdom

of God through insight and understanding in it under the power of the Holy Spirit. That is keys of the kingdom of heaven given to the operations here on earth.

*What is insight? What is this understanding?* In answer, insight and understanding are basic of wisdom. "Understanding as an offshoot it is the light essence of the word of God. It is hidden in the voice of God, which is the word of God."<sup>7</sup> It is the entrance (opening) of God's word that gives light, which is light, (Ps. 119:130; John 1:4-5).

"Let me understand that I may live" (Ps. 119:130). Without understanding there is no life. "The man that wandereth out of the way of the word of God, shall remain in the congregation of the dead" (Ps. 119:130). Wisdom is a defence, the foundation of life. But it takes understanding to live. Understanding can be defined as comprehending and walking by it<sup>8</sup>. It is the unfolding of the word to your spirit through meditations (Ps. 119:130). Moreover, understanding is the ability to grasp the essence of things by "standing under" that word. If you can bend low enough to behold the word or to "stand under" the word of God so as to grasp the essence of such instruction you will arrive

## Entering The Prophetic Gate Of Destiny

at the gate of understanding. Don't be too fast to go through, be thorough in your reading instead. Don't just read to meditate on every statement, phrase or word. It pays much to ask "why of this?" Understanding is the secret eyes of the mind that gives the ability to discern the will of God.

It takes understanding to see the Lord in the word as Peter did, and others too on their way of Emmaus (Luke 24:30-31). You cannot flow in the realm of revelation and mysteries unless you have the gift of understanding. It resembles the gifts of the word of knowledge and word of wisdom, (1Cor. 12:8). *But it is this understanding that gives faith the force of manifestation.* There is no spirit of faith released. Hence, if you can't see it, you cannot access it or obtain it. *Understanding is the key that is the weapon for exploit in the kingdom of God.* "Those who know their God shall be strong and do exploits" (Ps. 111:34). "And we know that the son of God is come in the flesh, and has given us understanding that we may know the truth, and we are in him that is true even in the world" (1John 5:20).

In realizing this principal position of the word in understanding in the life of all saints, the Psalmist is to meditate in His word and never to neglect God's word (Ps. 199:15, 16). He also prayed: "let me understand the teaching of your precepts, then I will meditate on your word" (Ps. 119:130).

## CHAPTER SIX

### PROPHETIC WEALTH TRANSFER

*Earth is the Lord's and everything in it, the land and all who dwell in it, for he founded the seas and established it upon the earth. Ps. 24:1. "Our God is in Heaven, he does whatever pleases him, but their idols are silver and gold made by the hands of men," Ps. 115:3, "The highest heaven belong to the Lord, but the earth he has given to men," Ps. 115:16.*

The dominion of the earth and all its riches was a responsibility assigned unto him by God, but it was the loss of that dominion through sin that was the genesis of all forms of satanic manipulations on earth. Such manipulations of the devil may include among other things what we call wealth transfer.

#### What is it?

Wealth is a family word, which is highly relative. It embraces everything we know and regard as valuable, treasure or riches. It can also include *the*

*possession of some spiritual qualities as well as the acquisition of a great amount of property, money and other valuable. Wealth is very vital to human life and for the advancement of any kingdom. Hence the battle for the possession and control of wealth greatly attracts the attention of both God and Satan. Praise to God for the earth is the Lord's and the riches there of. There is no genuine contender over the earth before God. So money and wealth have spirit. Heb. 11:3.*

However, the devil through demonic manipulations has stolen the bona fide rights of a few individuals on earth by the means of demonic wealth transfer. What is demonic wealth transfer?

#### Mysterious Transactions

Demonic wealth transfer is the mysterious exchange of riches or wealth in a transaction between the agents of the kingdom of darkness. It could be the draining of the finances, riches or wealth from an unsuspecting victim by the agents of darkness or the sudden enrichment of some wicked persons as a result of a specific rituals or transaction with the devil.

Some instances include: sudden disappearance of some people's wealth. Why is it that some

### Prophetic Wealth Transfer

not last beyond some stipulated period of time. This is the secret of some poor wicked men who become rich overnight without any genuine effort. Why do some believers give and yet become impoverished than ever?

Many people have complained of the loss of a lot of money for exchanging some currency notes with demonic persons. Some got bound to occultic practices and became slaves because of some unrepented sins. (Prov. 22:7). Others even lost their property and collaterals because they could not pay up within the stipulated period. Some lost their business because some occultist bought from them and paid with demonic money, which later on missed out from the victim. All these sound incredible things happen. Even in the scriptures instances of wealth transfer abound.

### **Property**

In 2 Kings 5:25-27, Gehazi, the young minister of Elisha, became physically wealthy but spiritually impoverished when he dubiously acquired the Syrian wealth. "was not my spirit with you... Is this the money...Naaman's leprosy will cling to you and your descendants forever." The fundamental truth is that every wealth like every kingdom has

### Entering The Prophetic Gate Of Destiny

a spiritual undertone. As kingdoms or thrones are raised on altars, so are wealth raised on spiritual foundations.

Again, it will interest you to know also that there is no kingdom without its own wealth reserve for its committed adherents. The wealth of nations is measured more than their physical currencies or silver and gold. The kingdom of God and the kingdom of darkness have great influences on the economy of both individuals and nations. *The basic issue is that you are liable for the wealth of any kingdom you faithfully subscribe to.* "seek first the kingdom of God and his righteousness, and all these things shall be added unto you," (Mtt. 6:33). Why such admonition? "For the pagans run after things and your heavenly father knows that they need them," (Mtt. 6:32). If he knows, then determine the rules.

Gehazi must have forgotten this truth that every wealth has a spiritual undertone. So he learnt the lesson the bitter way. "If you must carry Naaman's wealth, you must also carry his leprosy, for that probably was the price you paid for it." Of course, the prophet Elisha knew this. After all, why did Naaman himself demand for an inheritance in Israel? When Naaman saw that his leprosy was over, he also knew that his wealth would suddenly return to the demonic source, 2 Kings 5:27. Many young and anointed men of God have

### Prophetic Wealth Transfer

anointing or rather sold their anointing to sorcerers because of the incessant quest for young ministers. Even Apostles like Peter and Paul have fallen victims of such fabulous wealth for seed faith, but for their obedience to the Acts 8:18-20. Look, don't barter your true wealth to the devil's (Lk. 16:11).

### **Wealth of Ancient kingdoms**

In the same development, many ancient kingdoms have also enjoyed such demonic wealth and have worshipped the gods of mammon as their national gods. Even today some people still pay allegiance to the powers of Egypt, Babylon, Assyria, Persia, etc., for drawing such diabolic wealth from the gods of the cult. Today some secret societies consider themselves as the adherents of king Nebuchadnezzar, etc. for the same reasons. Several satanic manipulations have led so many people astray. Nothing of real value is obtained from the gods. *For man shall receive nothing, unless it is given him from heaven.* John 3:2, 31.

Ezekiel prophesied against the spirit of Tyre who was the king of the earth, Ezk. 27:32-33. It was through John the Apostles even the fall of the spirit of Tyre led nations into adultery and enriched the

### Entering The Prophetic Gate Of Destiny

merchants of the earth with her excessive luxury. *For many people have enriched themselves, though they say, "We are not God," and they have made themselves gods, and they have been despised, though they say, "We are not God." Thus many people dubiously enriched themselves by connecting with the gods of such kingdoms, offering many unthinkable sacrifices to such gods for a transfer of demonic wealth from the spirit of Tyre. "Our God is in heaven, he does whatever pleases him. Their idols are silver and gold, made by the hands of men. Those who make them will be like them, and those who trust in them," Ps. 115:3-8.*

### **God Decreed Wealth Transfer**

Moreover, all those Gentile nations were enriched in their economies but none of them knew the Almighty God who gave the earth to the sons of men. Ps. 115:16. Instead, they worshipped the gods of silver and gold, the creature instead of the creator. The Lord God decreed by prophesy that the wealth of the earth will be transferred to the righteous. *"The wealth of the seas will be brought to you, to you the riches of the land will come. Herds of camels will cover your land, camels of Median and Ephraim..." Isa. 60:5-7. "You will boast on the wealth of nations and in their riches, but I will give you the treasures of the earth, and I will give you riches stored in secret places so that you may know that I am the Lord, the God of Israel who summons you by my name," Is. 45:3.*

ess, but to the sinner he gives task of

Take note of this prophetic leap God has

saints in those nations whose lives please H

God transferred the wealth of the Syrian army to four-lepers who dared to move forward by listening to the word of God's prophet Elisha, in disbelief of the government official who God's servant killed him (2Kings 6:25 to 27)

**you, wealth is not transferred to idle hands. 3:10,11)** you must arise and take bold action to find something to do no matter how small. **you has to find the hook and to move to the hook.** I had to file in his application by suggesting I was a wise economic adviser to the Government. Don't be afraid to submit your C.V. or to accept any political post as the Lord will open the door for you soonest. He can transfer the wealth of this nation to his church through you. Politics is not the game except the one played by dirty people.

*Joshua the son of Nun was full of the spirit of Moses had laid his hands upon him and the Israel hearkened unto him and did as the commanded Moses. And there arose not a prophet like unto Moses whom the Lord knew face to face. 34:9, 10.*

Impartation of extra-ordinary wisdom into the son of Nun is hereby attributed to the transfer of gifts or the spirit of wisdom from the prophet of Israel (Moses) whom the Lord knew face to face. *Beware of the kind of men who lay hands on you, and mind the kind of prophetic conference you attend for as the spirit of wisdom is prophetically imparted so also evil spirits are prophetically imparted by agents of darkness.*

Point of emphasis here is that God's prophets are the vehicles in unlocking your potentials. Gifts that had been stagnant or crawled in your life receive life today in Jesus Name. I release all gifts that have been dormant for years waiting for opportunity to manifest. Now the opportunities will come to your face. **I can see you rise to your right life, for the wisdom you need is released through this book,"** in Jesus Name.

## Entering The Prophetic Gate Of Destiny

This principle of prophetic release of potentials calls for wisdom on your part to locate the prophets of your life and to pursue the spirit of wisdom through him as your trusted mentor. Elisha followed Elijah and followed him conscientiously and received a double portion of his anointing. Following motivated by the desire to serve and when he departed from thence and found Elisha...and he put the mantle upon him...**Then he arose and wore the mantle of Elijah, and ministered unto him."** 1kgs. 19:19-21. Thus the mantle of service precedes the mantle of anointing. 2king 2:13-14.

## **Prophecy to Your Bones**

In the same vein one can as well prophesy to dormant gifts in ones life by speaking forth the word of faith unto ones latent gifts. Begin to call for manifestation according to the word of God of great bones that have been lying dead and dormant in life. Address from the prophetic word and call the giant within you to emerge on the stage of life through quickening of the dead and the calling of those that are not as though they are, (Rom. 4:17). This is exactly is God's method both in creation and redemption. "He sent his word, and healed them, and delivered them from their destructions," Ps. 107:20. How did he send his word? Through prophetic utterance.

13), and personal prophecies, Ps. 103:10, 18.

## Enthronement

Entrance, performance and position in life can depend greatly on the prophetic release of your potentials. Just as no king ascends without the anointing, so no man adequately fulfills his potential on earth without this prophetic anointing. It may be in form of parental encouragement, sudden but significant utterances of some words of God, certain divine utterances directly from the Holy Ghost into your spirit or it may be at the time of your encounter with ones desired mentor. Your prophetic enthronement is at hand, so get set for the

*Before I put thee in remembrance that thou shalt be a prophet of God which is in thee by the putting on of the garment of faith, ( 1Tim. 1:18). That is to say, you must declare yourself by the prophetic word, which the Holy Spirit can release, into your spirit even while on your knees in meditation on the word of God or during the ministry of some anointed men of God. But how do you locate ones own prophets or mentor?*

## CHAPTER EIGHT

## LOCATING YOUR OWN PROPHET

*"The Lord thy God will raise up unto thee a prophet from the midst of thee, of thy brethren, like unto me; and ye shall hearken," Deut. 18:15.*

The true prophet of your life is only raised up by God and your access to him is only by discovery. In these days when many false preachers and prophets are everywhere it calls for caution in accessing ones prophet (Deut. 18:21-22). The truth remains that there is a prophet you cannot ignore to miss if you must fulfill God's purpose for you on this earth. Even the Jews of Moses generation needed a prophet after Moses.

The common parameter of determining if a prophet is of the Lord then was the fulfillment of the prophet's predictions, (Deut. 18:21-22). While such a guide today, though still relevant, is inadequate because the N.T. prophets may not predict some future events but may only speak for the present words for edification, exhortation and comfort (1 Cor. 14:3). How can one understand the source of such words of exhortation?

## The Three Keys to test Prophets

72

### Locating your own prophet

keys may be useful here which are also by the scriptures, namely:

Integrity of the prophet (s)  
Authenticity of the prophesy  
Teleology of the prophecy.

*“We have not followed cunningly devised fables, when we made known unto you the power and coming of our Lord Jesus Christ, but were eye witnesses of his majesty.., this which came from heaven we heard, we were with him in the sacred mount. We have also a more sure word of prophesy,”* 1 Peter 1:16-19.

...which was from the beginning which we have seen with our eyes, which we have touched with our hands, upon, and our hands have handled, of the word of life...that which we have seen and heard declare unto you that you also may have fellowship with us, and your fellowship is with the father and with his Son Jesus Christ,” 1 John 1:1-3.

Very useful to question the integrity of any prophet who come across in life before you subscribe to his prophecies, so that you do not partake in another prophet's error. Those who are capable of imparting spiritual gifts should not do otherwise, whenever their centre of

### Entering The Prophetic Gate Of Destiny

operations cannot hold any longer. The first key test is: what is the integrity of the man of God? How do we know the so called man of God? Does he possess a genuine identity or is he a freelance prophet, just for hire (1 Peter 17:10; 18:19). How committed is he to his vision? The first clear in the first place is his vision? Is he truly devoted to the Lord, to those things he claims to have heard?

Another key test is that of authenticity of the prophecy he gives in the name of the Lord. How do we know the prophesy (in accordance with the word of God) is a genuine N.T. prophetic utterance or cunningly devised fables? The third key test is concerned with the teleology of his prophecy. Is it a selfish, carnal prophecy is it the result of a covetous mind (Num 22:7,12) or is it an offering declared unto you so that you have fellowship with the father and his son Jesus Christ? *“Every prophet who declares a goal is merely to gratify the fleshly ego of either the prophet or the recipient or both, stands to be questioned”* (Phil 3:19,21). By their fruits you shall know them, the Lord. So don't be so much in haste for any man to lay his hand on you or to impart spiritual gifts to you unless your spirit is convinced that he is of the Lord.

### **How can I locate my Prophet?**

1. The prophet of your life is always that who is genuinely interested in you becoming

### Locating your own prophet

ing God's purpose for your life, like Samuel and Saul (the king). Even when Saul failed, Samuel still wept and interceded for him. Again, the fall is only a product of his negligence of the words of Samuel (the prophet of his life).

The prophet of your life is that which is ever ready to impact unto you the spirit of wisdom, knowledge and power, so that you can also fulfill in life. It is always a plus factor unto your life like Paul to Timothy. In fact, he speaks direction into your life. (1 Timothy 3:15-17).

The prophet of your life may be someone very close to you as Abraham was to Lot, but he is ever ready to rescue you from any spiritual disaster or wreck or captivity.

In some cases such prophets are always disguised so that it will only take your humility and understanding to discover and respect them, (e.g) your Local church pastor, or your close relative who is a faithful servant of God, like Jesus to his twelve brethren, (the Apostles).

The prophet of your life is he who sees your potentials, gifts and abilities instead of your present limitations. He is the one who sees your

future and relates with you on that basis. Do not let those things that are not yet in your life distract you from what they were. *Remember it is not every man who is a prophet that is your prophet.* Some believers have been reduced to mere slaves or sycophants who have no iota of interest in their own destinies. They have been reduced to being raised by local fowls: no vision of heavenly training for flight, with compromised results leading to total dissatisfaction and fear of information.

### **You're an Eagle, get set to fly**

"Friend, you are an eagle, you belong to the sky. Don't die with the fowls below. I loose your wings today to fly into your destiny above, in the name of the Father, the Son, and the Holy Name," *Do you still wonder, why some major, things have not started happening to you why the few that is happening to you is too minor compared to some other people you know? even those you seem better off? Friend, such things will happen until you locate your prophet and tap into the virtue of his life and ministry.*

One day God lead me to a man of God, a church leader whom he told me is one of my prophets and I realized that he anointed me. After some hesitation he asked me to do that and he prophesied greatly upon my future that I planted a worthy seed of faith into his ministry.

### Locating your own prophet

the same day I received a gift (seed) that is double of the seed I sowed on the man of my choice. Above all, I carried an unprecedented favour that has never remained the same. Even this favour can be attributed to that encounter. I am stepping into your destiny through this work. Your prophet is not just any prayer contractor, (make yourself a prayer project).

A prophet is a man sent into your life by the direction of the Holy Ghost to make a positive difference. Beloved you need him, **those who need others are hardly needed here**. Those who have no fathers, have no mothers, therefore, they can't fly.

Be called to invest into your future, not to protect you, but to bless you.

Find a man you sincerely and dearly cherish to love yourself and serve him as you serve God, Matthew 23:12:26. Service is the secret, don't be ashamed to become a servant to such a master as Jesus Christ, Exodus 24:12-14.

God will hear God on major issues of your life. Give you a worthy heart to heart counsel by the Holy Spirit of God. If you are patient enough to

### Entering The Prophetic Gate Of Destiny

To locate such a man, he is your prophet. Without him, you can only meet indirectly through tapes, VCD, books and other works, but the fullness of virtue is released unto you by faith as unto those who were present in the conference. The electronic communication system of your prophet provides a very potent "helm of his power" through which any one can tap his virtue (Mark. 5:28).

### **Whatever you Respect**

In fact, what makes the difference any man is the prophetic gate is the attitude of the man involved. Whatever you respect you will attract; whatever you despise, your life will repel. Jesus taught that *he who receives or respects a prophet shall receive a prophet's reward* Matthew 23:34. Some believers are totally robbed of the grace by envy, artificial spirits, and carnal attitudes that rob spiritual gifts. *What is this prophet's reward? Round prosperity in life and business. Believe in your God and you will be established, believe in the prophets and you will prosper; 2Chor. 20:37*. The establishment of your faith is a product of your relationship with the Lord your God. But any form of success or prosperity you will experience is a function of your belief in the prophetic utterances of God's prophets sent to you. That was why Jesus said "believe in God, believe in the prophets."

### **Mystery of God and His prophets**

Evidence is very clear before us. All those  
Christian groups who give **appropriate**

scriptural advantage over others. Yes, criticize  
they almost worship their Bishops, but they

his prophet ministers.

### **You can't be Empty**

God commanded that men should m

The word of Christ dwell in you richly in psalms and spiritual songs making melody with your hearts to the Lord," Colossians 3:16. The ministry of the N.T. is not reserved to few servants as in the O.T. era. *The major problem encounter is the ability to always create and minister in an atmosphere for the prophetic flow.* Unlike in the O.T. the spirit of God, which is the spirit of prophecy, is now resident in the heart of all believers, "And your sons and daughters shall prophesy," Acts 2:17.

The spirit of prophecy resident in all serious believers, Apostle Paul urged the believers to receive spiritual gifts like prophecy because it is

possible for them to prophesy one by one, the spirits of the prophets are not only resident in the prophet (any desirous believer) but also subject to the prophet. The Holy Spirit in you is the spirit of the prophets, release yourself unto him in love.

### How can one Prophecy

*The testimony of Jesus is the spirit of prophecy (Rev. 19:10) and only he who has ears hear what the Spirit says to the churches.* The volume of the testimony of the word of God in your soul determines to what extent the level you can flow in the prophetic ministry of the N.T. Let the word of Christ dwell in you richly and you can prophesy and even minister in spirit and song according to the melody of the spirit of God in you unto the Lord. The spirit of prophecy flows always in an atmosphere of worship, joy and spiritual songs unto the Lord. *"As they ministered to the Lord and fasted and sang psalms and spiritual songs, as they sang and made melody to the Lord, the Spirit said"...Acts 13:2.* In other words, in the ministry of the Holy Spirit in the church, *praises mixed with fasting the church at Antioch was the prophetic ministry of the Holy Spirit in almost all their services. ## CHAPTER TEN

### THE SPIRIT AND POWER OF ELIJAH

The spirit is the spiritual breath of true prophets. *"Elijah was as human as we are and when he prayed earnestly that no rain fall, none fell for the next three and a half years," James 5:17 NLT (cf) Luke 1:17, 18. "He prayed again, and the heaven gave rain and the earth brought forth her fruit," James 5:18*

The great honour the Almighty has given to man, the power to influence the heavens, the elements, the weather, seasons and programmes of God and the power of earnest prayers. It is now evident that heaven does not respond to the prayers of men who does not give its rain of various blessings, unless any spirit or supernatural being intervenes on behalf of men on earth except by the invitation of men through prayers, incantations or by sacrifices.

Prayers, earnest prayers, heart-felt prayers of men are the legitimate means ordained by God to develop his purpose and programmes on

earth. Elijah the prophet like Moses the man of God, one of those men who walked with God with deep insight and understanding into the power of prophetic intercession. *The thesis of this work is to demonstrate that prophetic intercession is the only means ordained by God to birth, develop and execute his kingdom and purpose on earth.* That implies that prophetic intercession is the only means of realizing the benefits of our year of jubilee. Every release from heaven to earth answers to the intercession of men. Intercessory prayers of a righteous man avail before God, and that is the legal basis of divine intervention in the affairs of men. In other words, no spirit or demon, God or Satan has the legal right to intervene into the affairs of men except by the invitation of men through prayers or sacrifices. Blood sacrifices, prophetic intercessory prayers even incantations and occult are all potent means of inviting spiritual powers to the aid of men on earth. If we didn't invite them directly or indirectly they will not come because the heavens belong to God (and the spirit of God on the earth he has given unto men (Ps. 115:1-8). The government of the earth is in the hands of men, and the power of whomsoever men invited.

Elijah prayed and controlled all heaven's powers. He locked up the heavens by his word and possessed the keys for three and a half years, then he prayed

and proven his point and reversed the order and only then could the heavens give rain to have you prayed for a blessing of the Lord and come? Then pray again. Have you prayed for promotion, admission or marriage? Pray again. Pray earnestly. Pray with a heart of faith with confidence in the Lord. *Your life like Elijah will birth the purpose of God for you and place. Ask for the spirit of Grace and it will be poured into your soul from today.* If you pray earnestly, and scripturally as a righteous man your destiny will surely shine forth like a city on a hill that cannot be hidden. Pray and read on to experience the spirit and the power of Elijah.

### **Life of Elijah**

Elijah was not a spirit personage, he was an ordinary man person like all of us. But He prayed. He was a simple man who determined and service of God. Every sincere child of God does when he follows Jesus Christ as Lord and Saviour. The only difference may be, is that Elijah determined to live out his destiny in God through practical prophetic life of faith.

The name Elijah is the name of about four men in the Bible. Not only that of prophet Elijah of (a) Tishbe is popular because he lived out his great name

by a great faith in his God, 1 Kings 17:1-2. Other names in the scripture include: (b) A Benjamite and Jeroham resident at Jerusalem, 1 Chron. 8:34. (c) A descendant of Harma who married a foreign wife during the exile. (Ezra 10:21). (d) An Israelite induced to leave away his foreign wife, Ezra 10:26.

The name Elijah simply means Jehovah is God. The Lord, he is God. That was the literal meaning of the name. When people cried out when Elijah prayed down to heaven to prove that Jehovah alone, he is God. 1 Kings 18:37-39. Put the other way, when the people saw the fire of God come down they cried out Elijah. It is one thing to bear a great name and another thing to live out that great name by faith in God. It is as well birth or abort the purpose of that name through your relationship to the power of intercession. Names are not ordinary especially in Israel and among tribes in Africa. What is your name, and what does it serve for God or Satan? It is the prophetic power of intercession, the effective fervent prayer of a righteous man than refines or purifies a man. It is not a mere change of nomenclature. It is also the power of fervent prayer of intercession that birth the purpose of divine names as well as abort the purpose of names. Challenge your name by fire today in Jesus.

Moreover, the prophet Elijah whose min

Of the great prophets that arrested the near anarchy throughout Israel's history and even in our history have been lonely men of prayers, men of the wilderness, village pastors, controlling the situation from a corner, waiting patiently for the day of restoration to Israel". ### **The Days of Elijah**

Merrill C. Jenney wrote: "In our ears the message sounds like no more than a weather forecast of drought (1Kgs 17:1,2) that would last over the winter (18:1), but Ahab and all who heard knew that it involved more than a prediction of climatic hardship.

The days of Elijah were not sweet, sweet days for the prophets or the people of God. The days of Elijah were the days when all were not well between God and his people, and they were about to witness divine judgements on their idolatry and disobedience.

Elijah's commission was, therefore, to deliver such a stern message, and he began by employing the forces of nature. The forces of nature are in the Lord's hand, He uses them to bless, to judge, and to discipline His people (Deut. 28:1-2, 21-24). The days of Elijah were the days of divine visitation of judgement upon the idolatry, worship of Baal and apostasy of Israel the people. The days of Elijah were the days of the great eclipse in Israel when the people were in confusion of opinions as to which god is the true God, Jehovah?

### The Spirit and Power of Elijah

above, cf Lu. 1:8-10.  
Revelation 8:3-6, we discovered that even  
heaven was ready to pour out her  
judgment upon the earth against the enemies of  
heaven could not and none of the angels could  
sound its judgmental trumpet until incense was  
burned with the prayers of the saints and offered  
on the golden altar before the throne in heaven.  
and only then could heaven respond with  
thunder, lightning and earthquake.  
However it will take to effect your freedom now  
to be released as you pray in Jesus name.  
Remember, *the spirit of intercession or  
intercession we refer to here is no other spirit but  
the Holy Spirit helping us in prayers with groaning,*  
Rev. 8:16.

Salvation, total salvation or real deliverance  
cannot come until the enemy, your accuser is  
driven off from your territory, Rev. 12:10. *"Now is  
the time of salvation, and strength, and the kingdom of  
God..."* As long as the accuser is around, the  
kingdom is far, there is no strength even and  
salvation looks like slavery. *Intercessory prayer,  
sincere, heartfelt cry of anguish unto God, and a  
firm determination to resist the enemy by the  
power of Jesus even to the point of death is the only  
way of enforcing God's kingdom upon your life. No*

### Entering The Prophetic Gate Of Destiny

*wonder Jesus taught his disciples to pray  
the kingdom come, and thy will be done on earth  
as it is in heaven," Lk. 11:1-3.*

In the land of Babylon and Persia Daniel  
and his friends enforced God's kingdoms through prayer  
and thereby prevailed over all the accusers, enemies  
of righteousness, lions and deadly beasts of  
the earth, princes and powers of the air, and all  
the wickedness that made war against the saints. *"...and  
the same horn made war with the saints, and  
prevailed against them, until the ancient of days  
came, and judgment was given (in favour of) the saints,  
and the Most High: and the time came that the saints  
possessed the kingdom,"* Daniel 17:19-22. From this  
scripture we saw the kind of kings that war against  
the saints in different towns and cities: Diverse  
kinds of dreadful and deadly beasts, and horns that  
hated the saints. Wicked spiritual giants that are invisible. No  
one knew when Daniel beheld it they were fighting and praying  
against the saints. The saints could not lay  
anything to demonstrate the presence of God's  
kingdom among them (cf. Rev. 12:10). So, Daniel  
was not comfortable with such pitiable condition of the  
saints. He gave himself to prayers and intercession.  
The Ancient of Days arose and passed judgement  
on the accusers of the saints. *Why was the Ancient of days  
waiting? Why were the saints being fought and prevailed against by the*

nothing until somebody prayed? Remember, God does not give rain or intervene on the affairs of men until the earth send prayers to heaven. No man, Satan or even God has the legal right to intervene on earth until his is invited by man. All those demons of the people were demons invited by man to assist them in those days. However, whatever was brought upon the earth another man can bring and dismiss it. *“the heaven, even the heavens are for the Lord, but the earth has she given to the children of men.”* Psalm 115:16. “what is man that thou are mindful of him, or what madest him to have dominion over the works of thy hands...,” Psalm 8:5-9, KJV. That is the foundation of prayers as the catalyst of all communications on earth. We have thus seen that the spirit of Elijah is the spirit of supplication, prayers, and intercession, what then is the power of Elijah?

### **Power of Elijah**

*“before him in the spirit and power of Elijah...”* The spirit of Elijah is the spirit of intercession and means the ability to birth divine purposes and plans, the power of Elijah is the ability to bring about a change of heart to accept divine purpose and plans. Thro' the spirit of Elijah divine purpose is born and by the power of Elijah divine purposes are enforced upon human hearts.

### Entering The Prophetic Gate Of Destiny

- (b) The power of Elijah is the power to turn the hearts of the fathers to the children and the hearts of the children to the fathers. This implies reconciliation of relationships and restoration of families which the enemy is deadly determined to destroy in the last days, II Tim. 3:1-5.
- (c) The power of Elijah is the power to deliver from a state of indecision or double mindedness. It is the ability to turn the disobedient to the obedience of the just as Elijah did at Mt. Carmel and we have understood that Jehovah is God.
- (d) The power of Elijah is the power to open the windows of heaven by the prophetic word. He brought both fire and rain from heaven as the people demanded.
- (e) The power of Elijah is the power to overcome apostasy anywhere anytime. It is the power to stand for God even when all others are looking the other way for their lives.
- (f) The power of Elijah is the power of blessing, impartation and “mantle transfer.” All who have the ability to transfer their anointing to the next generation which is the true greatness.

## The Spirit and Power of Elijah

power of Elijah is the power of overtaking. It doesn't matter how many people gone ahead of you. It doesn't matter the kind of riot they rode on, when the power of Elijah is upon you, you shall overtake them all even if they have reached "the gate of Jezerel." You shall stand before the city before them, 1king 18:46. How then do you receive the spirit the power of Elijah?

### **Power of Elijah**

The spirit and the power of Elijah is transferable from generation to generation; and it is still available to you. Elisha and the other sons of the prophets received it by revelation that Elijah was to be taken up to heaven everyone made his choice.

In the first place the spirit and power of Elijah is not on any one. Nothing from God is an inheritance on any man. *To receive the spirit and power of Elijah you must have a strong desire for it. You must pursue it by locating your Elijah today and entering into his mentorship.* You must be convinced by the persuasion to the contrary, that you will not find what you are looking for. And above all, you must be willing to ask for what you need and to need what you ask for without distractions whatsoever. All these things done you shall receive a double portion of Elijah's spirit

## Entering The Prophetic Gate Of Destiny

and the mantle of Elijah, 2kings 2.

In a sentence the spirit and power of Elijah is received through humble mentorship in the power of prayer. Everything about prayer is received by the power of prayer. The only way to learn prayer is to pray and join those who know better than us to pray. The spirit of Elijah is contiguous, when you spend time always in prayer to the Holy Ghost or in an environment of praying you will begin to contact that spirit if you have the desire. You can't love praying and see an environment without something jerking in. That is a sign to you that the same spirit of Elijah is within you waiting to be aloud to manifest through the habit of constant earnest prayers.

*In the same vein, all prophetic and anointing are transferable. Therefore, if you want your ministry gloriously like others you must come on that foundation through mentorship. If you are going to remain a stranger and a foreigner to the mysteries of the kingdom, you must also be built on the foundation of the apostles and the prophets with Christ Himself being the chief corner stone in which the whole building fitly framed together groweth up 2:19-22.*

### **Conclusion**

**When you grow restless**

### The Spirit and Power of Elijah

people today even some believers in Christ of the Gospel are like Issachar. Though they are strong but like an ass they are bowed under two burdens. *In order to feed in the land and bread he accepted to become a slave unto his master* Genesis 49:14,15. How long shall Zion remain a laughing stock by word among the people? Isaiah 66:7-9.

The church has become like Esau, living without the blessing of her inheritance, kings they are but their feet are like the feet of a donkey, riding on horses while they crawl around on their hands and knees for bread. These abnormalities must be redressed or they will become restless. *Yes, this error must be corrected now or never!! "You will live by the sword and you will devour your brother. But when you grow restless you will wrestle with him and throw his yoke from off your neck,"* Gen, 27:40, 49:10. If you grow restless you will wrestle with him and prevail like Jacob, Gen. 32:23-28. until you break out of a destiny out of anguish and restlessness you will never rest at all.

The spirit of Elijah only rests upon restless people. The power of Elijah is for restless travellers. Until you are uncomfortable, unhappy with your life, and the bleak future of your posterity, until you are dissatisfied with the status quo you may not receive the spirit of Elijah. *How do you know, you are ready to contact the power of Elijah?* It is when

### Entering The Prophetic Gate Of Destiny

everything around you is becoming uncomfortable, unsatisfactory, restless and uneasy. It is when the spirit within is about to burn out and you are at a standstill you statusquo and the state of affairs around you is changing the church of Christ.

### **How do you know the time is set?**

When you are ready to determine who is in control of the affairs of your life, family, church of God or the nation. It is when you are willing to give up everything for some time to seek the face of God. Then the spirit of Elijah will be released unto you and then will the mantle of Elijah be released unto you and go up to the heavens. Are you restless now? Begin to wrestle and wait for the mantle shall come upon you today the spirit of Elijah. Travail today and break the yoke off your neck. Enough is enough! Pray now.
